## 25.02.2013 | NEW USER-FRIENDLY INTERFACE OF TRACK&TRACE PROGRAMME IS NOW READY-TO-USE ON OUR WEBSITE

*New user-friendly interface of cargo tracking programme Track&Trace is now available online on www.airbridgecargo.com.*

The graphic elements in the new interface make it user-friendly and easy to use, and will help customers to manage their logistics more effective. In order to find out the location of the cargo one will have to specify the airway bill number on the airlines website.

*For information*

Track&Trace is a programme which allows tracking your cargo online and controlling the cargo route and the cargo movement schedule.
