

21.07.2015 | ABC STRENGTHENS ITS EUROPEAN TEAM WITH APPOINTMENT OF GEORGES BIWER

ABC has announced appointment of Georges Biwer as its Vice-President, EMEA, effective from July, 1st. Mr. Biwer has more than 24 years of experience in air cargo industry. As Vice President for scheduled business operations, EMEA, Georges Biwer will focus on growing ABC scheduled cargo operations inside and beyond Europe with ABC going online in Middle East and within African continent to provide broader variety of export destination for European customers.

'EMEA is one of key markets for the scheduled business operations. Mr. Biwer's appointment is in line with our further expansion plans and our determination to build the best air cargo team in the industry for the benefits of our customers.' - said Denis Ilin, ABC Executive President.

Strong leadership in management team is part of the company's strategy for future growth. ABC wants to get the best out of combination of ambitious young talents from within the Volga-Dnepr group with extensive experience from the top industry professionals to achieve fresh outlook on the industry and customers' current and future needs in order to ensure proactive, dynamic though still highly professional service.

'I am pleased to join ABC team. Being a challenge-motivated person, I am excited to join a company with ambitious goals and will push my limits to drive to the successful growth of the scheduled business operations in Volga-Dnepr Group', - said Mr.Biwer.

Volga Dnepr welcomes Georges to its international air cargo team and wishes success in his new position.
